MEEWIS NOTARISSEN AND TAXPERIENCE NOTARY SERVICES JOIN FORCES

Waalwijk, 18 September 2024 – The merger creates a broader and more powerful organization well-equipped to support entrepreneurs and businesses. By doubling the number of employees and expanding expertise, Taxperience Notary Services and Meewis Notarissen are now even better positioned to assist corporate clients with complex real estate transactions, business acquisitions, and restructurings. Despite the merger, both offices will continue to operate from their respective locations in 's-Hertogenbosch and Waalwijk.

"This merger allows us to combine expertise in a way that perfectly meets the needs of our corporate clients," says Theo de Bie, notary at Taxperience Notary Services. "Entrepreneurs often face complex legal issues where speed and thoroughness are crucial. Our increased capacity enables us to respond faster and think proactively with our clients."

The synergy between Taxperience Notary Services and Meewis Notarissen allows both offices to fully leverage each other's expertise and extensive network.

"For both private and corporate clients, personal contact remains our priority. Customization and personal attention are core values that we continue to uphold, despite our growth in scale," says Lot Gijzen-van Mierlo of Meewis Notarissen. "With our combined knowledge and experience, we can handle every matter, big or small, with care and anticipate specific needs."

This collaboration results in further improvement in the quality and customer focus of the services, enabling clients to receive assistance more efficiently and at a high level.

"Our joint commitment to quality and customer focus is strengthened by this merger," says Kolette Labout-de Jong of Meewis Notarissen. "By focusing on the specific needs of both entrepreneurs and private clients, we can offer the most comprehensive services in the region. We are not just an information source but also a reliable partner who always thinks one step ahead."
